Connecting To A Server

Server

Enter the Internet address of the server. This will be supplied by your Quik Flow administrator.

Port

Enter the port number for the server. This will be supplied by your Quik Flow Administrator.

Username

Enter your username. Remember, usernames and passwords are case sensitive (i.e. Joe McCarthy is different than Joe Mccarthy). User names can be up to 30 characters in length, contain upper and lowercase as well as spaces.

Password

Enter your personal password. Passwords are case sensitive. Your actual password will not be displayed when you type it. A good password is hard to
