

Login Page

The login page is the initial page a user will see. This page allows a user to log into one or more Quik Flow Servers. The user will also need to supply their name and password.

Company ID

Your assigned Company ID #. On self-hosted installations, this field may not always appear.

Username

This is the user name supplied by the administrator or user's supervision. User names are case sensitive.

Password

This field is for the user's personal password. The password will not be displayed when typed. Passwords are case sensitive.

Login

Click this button to log in once the above fields are completed.

Forgot Username/Password

Click on either of these links to request a password reset, or a username reminder. For self-hosted installations, this link may not be available.
